

**ANALYSIS AND** REFLECTION IMPACT GOALS & OBJECTIVES

## **SET IMPACT GOALS** & OBJECTIVES

Where do you want to make an impact and what kind of impact do you want to create?

How can the goals be achieved?

# **OMASTADI PELI EVALUATION** FRAMEWORK

**OMASTADI GAME SESSIONS** 

ANALYSIS AND REFLECTION IMPACT GOALS & OBJECTIVES

## **SET IMPACT GOALS** & **OBJECTIVES**

### **DEFINE OBJECTIVES**

How can the goals be achieved?

The <u>objectives</u> define in detail how the goals can be achieved.

Example: Provide the possibility for everyone to have a say in making decisions.

## **DEVELOP A STRATEGY** FOR IMPLEMENTING & **SUPPORTING THE GAME**

#### **DEFINE ENABLING AND LIMITING FACTORS**

What factors enable or limit you from reaching the goals and objectives?

### **SET STRATEGY**

- How can the enabling factors be utilised to benefit the process?
- How can you reduce the effects of the limiting factors on the process?

### **EVALUATION REFLECTION**

- What did you learn from the results?
- What worked well? What was missing?
- Is there anything you need to change
  to better achieve your goals and objectives?
- Did the methods & tools allow you to gather the data you needed?
- Which methods should be used next time?

ALUATION

#### **EVALUATION REPORT**

How will you report and disseminate the findings of your evaluation?

The report could consist of:

**title page** with the evaluation name and time-frame.

**executive summary** with key findings and recommendations.

**introduction** with a description of the OmaStadi game, purpose of the evaluation, and evaluation goals and objectives.

*description of* **evaluation process and methods** *used*.

description of **intended use** of the report, who it is for, and how it should be used.

**evaluation results** section describing the evaluation findings (enabling and limiting factors and created impact), conclusions, and future implications of the results.

**recommendations** section with a description of what actions should be taken based on the evaluation findings.
